

Welcome to our Communion Service, Sunday, May 5, 2024

May is the month we celebrate mothers - that's next week, and June is the month we celebrate fathers - that's next month. But before we do that, today, we will celebrate and focus our attention on the under-30 crowd - our youth and young adults.

This morning, Pastor Dan will be focusing his message on young people, and how they can find fulfilment in Christ. A recent study was published that said Canadian young people are not very happy. In fact the study said that they rank 58th on the happiness scale, behind countries like Mexico and Guatemala! And when it comes to young people and seniors in Canada, apparently our seniors are way happier than our youth. What happened? Something is not right with the younger generation.

Today, Pastor Dan will share a message of encouragement to those under-30 and remind us all that we have an amazing group of young people at HPBC. And when it comes to happiness - The joy of the Lord is our strength!
