

Welcome to our Worship Service, Sunday, Feb. 15, 2026

Have you ever been frustrated with life, truly frustrated, where everything seems to be against you and nothing is going your way? And in those moments, have you ever stopped and asked if it was your fault? That maybe God was trying to tell you something and you weren't listening? This is where we find Jonah in our fourth lesson. He is laying on a beach, covered with, let's just say slime, he has almost died, and now God has a chat with him. Nothing has gone right, because nothing he has done was right.

Today, pastor Dan will examine the events in life that bring us to our beach experience - defeated, defiant and without direction, and in this lesson we will discover that, even though God might discipline us, if we are willing, He will restore us and show us mercy. Jonah didn't deserve it, but God showed him mercy. We don't deserve it, but while we were sinners, Christ died for us!
